Philosophy

The philosophy of Robinson High School Band program is to promote and foster commitment, discipline, unselfishness, pride, and the dignity of each member as musical ambassadors of Robinson High School and the community.

The basic goal is to strive for excellence through hard work, dedication, and teamwork. Our success is measured by the ability of our group to fulfill the goals we value.

It is the responsibility of the staff, students, parents, and community to provide a unique and rewarding experience for these students through the continual growth and development of the band program.

The single most important factor in the continued growth and high morale of our band is your consistent attendance. Without <u>your</u> presence, we cannot teach you and you cannot learn. Dedication to great attendance is a requirement.
