Dear Community Members,

The Robinson High School Marching Knights Band and Starlets have begun preparation for our 2026-2027 marching band season and are working hard to cover a budget that exceeds $100,000. To meet the needs of the Band and Starlet programs, we look to our community for support.

This year, the Marching Knights and Starlets are made up of approximately 120 students. They will be participating in 5 football games and 4 competitions, including the district's Music Performance Assessment. These events are supported by our Band Boosters, who financially cover the logistics each event entails (props, music, choreography, buses, equipment transportation, etc.). This is a huge undertaking and cannot be done without our volunteers and community support.

In addition to providing the Marching Knights with all they need for performances and competitions, the Band Boosters are also focused on providing financial support for program resources, such as replacement of 10 to 20-year-old instruments, repair of broken instruments, and replacement of audio equipment to effectively compete with larger schools during competition. These items are often disregarded, as our budget only stretches so far.

In addition to our marching season performances and competitions, our Marching Knights perform in a variety of concerts and competitions, including Concert Band, Wind Ensemble, Jazz Ensemble, Solo and Ensemble performances, All-County and All-State auditions/performances, Winter Guard competitions, and Indoor Percussion competitions.

We are asking you to consider sponsoring the Marching Knights this year. We are a 501c3 organization, and your contributions are tax deductible. Please see the sponsorship options attached. We have multiple sponsorship levels available and hope you will consider choosing one that best fits. Please let us know if you would like to customize an individualized sponsorship package. We look forward to partnering with you this year.

Sincerely,

*Chris Revett*
