

Pre-game meal Server

4:45pm – 6:45pm

- 1) Prepare 1 Gatorade and 1 Ice Water in beverage coolers with spout.
 - a) The cooler yields 5 gallons, prepare Gatorade accordingly from instruction on container (kept in serving closet on far wall of band storage room) Add water about half way, stir and fill to top with ice.
 - b) Ice machines in north end room of small building at east end of football field (if locked, Revett or Booster President have keys) Ice scoops on top of ice machines.
 - c) Potable water source – hose at side of structure with ice machine (please run water through hose for a minute to clear any stale water in the hose prior to filling ice filled beverage cooler)
 - d) Foldable wagon (back corner of band room under hanging uniforms) or cooler cart (may already being used on parking lot with beverage coolers needed) can be used to transport cooler back and form from ice house and cafeteria.
- 2) Gather food boats, cups, napkins, gloves, bleach wipes, chips and cookies form the serving closet located in band room on far wall and take to cafeteria.
- 3) After Pizza arrives, begin making boats for each serving (2 slices of pizza and a cookie) Bags of chips at the end of the line.
- 4) Serve
- 5) After meal, wipe down tables, take garbage to dumpsters located in parking lot, rinse Gatorade out of cooler, leave lid off to air dry, return all unused items to serving close in band room.
