

**Want to do more than
Volunteer?
Become a Coordinator!**

Coordinator members are responsible for one of the critical areas of our band booster program and taking charge. They schedule volunteers, meal planning, day of event calendar coordination, make flyers and other supporting documents and more.

If you are not strong with some of these tasks, have no fear, our Board and other coordinators and volunteers are always here to help. No one has to do the task alone.

Philosophy

About Us

Our Mission: RHS BAND BOOSTERS

To promote the band programs of Robinson High School through cooperation among music students, band faculty, the school administration, parents, guardians, and the community. To provide financial and logistical assistance to meet band program needs not funded by the school or school district. We encourage, promote, and advance the goals of the Organization by improving and sustaining the esprit de corps; spirit, fellowship, and knowledge among its members and the surrounding community in a cooperative and ardent manner.

It is the responsibility of the staff, students, parents, and community to provide a unique and rewarding experience for these students through the continual growth and development of the band program.

Who can VOLUNTEER at RHS?

Anyone with a passion to help share our philosophy. We are always looking for energetic, band-loving individuals that might have time to spare.

It takes many hands to run our RHS Band Booster Program. Many of us have been in a band ourselves. We know how hard each student works to complete each year with satisfaction and continuing growth. Our Marching season is very busy and requires a lot of community support and donations.

All volunteers must be 18 years or older and must be approved by the HCPS District Volunteer services. For more information scan the code above.
