

- **End of the Season**

We are headed into our last two weeks of our '22 Marching Season!! Our students have one more competition, one more Friday Home game and then MPA. They have been practicing so hard the last three months. So, let's keep them going strong to the very end. Here is the link to our website competitions page. See it for all competitions info and ratings. <https://www.robinsonknightsband.com/competitions.html>

Our Coordinators are hard at work to make this a successful season. We have had a lot of returning and new parents signing up to volunteer their time, snacks, water and more. THANK YOU to all who have volunteered. We truly are blessed to have such a wonderful booster group.

With Senior Night and MPA quickly approaching, we ask that all underclass parents volunteer for these events. It is the last events our Senior parents will be able to watch their child from the stands. We have on average 15 Senior parents that coordinate and volunteer for all events. We need these spots filled. We have an outstanding group of 31 Senior students this year. This is what they love to do, but we need them to step aside this last couple weeks. This Saturday is a great opportunity to dive in and help us out. If you are new to volunteering with us and have any questions about signing up, please contact Kimberly Meguiar-Volunteering Coordinator. Info below.

- **Volunteer Needed:**

Parking !! We make money assisting RHS with Home Football Game Parking. This is one of our biggest fundraisers of the year. We need at least 8-10 volunteers to keep the flow going. Currently we have 6 Senior parents that always sign up. So we need 6 underclassman parents to take this roll for us on Senior night. Laura will be in the parking lot to get everyone set up around 5:45 pm next Friday for our Game vs. Blake.

Equipment-loading/unloading and Truck Driver – If anyone has a 250/2500 or better truck, or a towing capacity of 9500 lbs... we could really use your help in hauling our precious front ensemble equipment to and from away games and competitions. The trailer is an 8x27 ft double axle with 2-5/8 ball hitch. If you are willing to help, just reach out the Kandy for more information. Info below. We need you for MPA !

Stands: Home and Away Games.

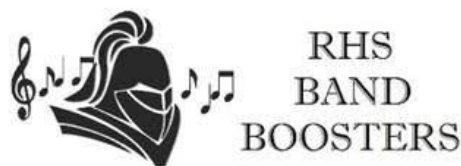

Coordinator Positions. If you are interested in helping the Band Boosters and coordinate next year. Right now is a great time to get hands on experience. Most positions will be open and available. See the website for more information regarding duties and responsibilities. <https://www.robinsonknightsband.com/booster-documents.html>
