

RHS BAND BOOSTER NEWSLETTER

July 5, 2022

WELCOME TO 22-23

Welcome to the Robinson High School Band Program 22-23. We are very excited to start this year off with a full schedule and many planned events. We would say a normal year, but as you all have been watching, the school is under full construction and our band room is not accessible at this time. We are currently practicing at Monroe MS until the HS allows people back on campus. We are hoping to return for the upcoming band camps.

We would like to welcome all the new students and parents! You have made a great choice by joining the RHS Band program. We all become friends and family here. Together, we always have a successful marching band season, competitions, concerts and MPA performances. Friday Night during football season seems to be a new student favorite. All the kids get into the stand tunes, the show music and just let themselves have fun!

Welcome back returning students and parents! Are you ready for another action-packed year? The board and boosters are ready to get back at it. You know it takes a village to keep this program support on track. Thank you for all your time, donations and volunteering last year!

Please welcome our new board members. They were voted on May 25th at the final General Meeting and took their seats July 1st. President – Kandy Kibby; Vice President – Eric Bartholomay; Vice President of Fundraising – Malinda Waters; Lynn McIntyre – Secretary; Karrie Hargot – Treasure Band; Monica Pintur – Treasure Starlets. Welcome Board! We have many Coordinator positions available! Please consider singing up.

PARENT NOTES:

Our mission as the RHS Band Boosters is to promote the band programs of Robinson High School through cooperation among music students, band faculty, the school administration, parents, guardians, and the community. To provide financial and logistical assistance to meet band program needs not funded by the school or school district.

We encourage, promote, and advance the goals of the Organization by improving and sustaining the esprit de corps; spirit, fellowship, and knowledge among its members and the surrounding community in a cooperative and ardent manner. It is the responsibility of the staff, students, parents, and community to provide a unique and rewarding experience for these students through the continual growth and development of the band program.

It takes everyone to give a little bit to make this a successful program. Please consider joining our volunteering team.

VOLUNTEER NOTES:

Our season is about to get very busy. Band camp starts in a couple weeks. This means that we'll need donations of fruits, snacks, pickles, lots and lots of water, maybe a new cooler as our current ones don't keep ice very long. We'll also need chaperones for the field/lot practices, fruit servers and clean up. Positions and donations will be posted soon. Kim Meguiar is our new Volunteer Coordinator. You'll be seeing the Sign-Up Genius (SUG) coming from her with all the opportunities you can sign up for, for all the upcoming events.

Say YES to Volunteering

Who can VOLUNTEER at RHS?

Anyone with a passion to help share our philosophy. We are always looking for energetic, band loving individuals that might have time to spare. It takes many hands to run our RHS Band Booster Program. Many of us have been in band ourselves. We know how hard each student works on completing each year with satisfaction and continuing growth. Our Marching season is very busy and requires a lot of community support and donations. All volunteers just be 18 years or older and must be approved by the HCPS District Volunteer services. For more information, visit: www.robinsonknightsband.com/volunteers.html
