## T.R. Robinson High School Band Department

Dear Sir or Madam,

The **Robinson Marching Band and Robinson Starlets** have begun preparation for our **2022-2023** marching band season and we are working hard to cover a **budget that exceeds \$25,000**. We have a great tradition of support and excellence in the Robinson Band Program and we are hoping to continue that growth.

This year the Marching Band and Starlets, consists of an estimated **110 students**, and will be participating in **8 football games** and **3 competitions**. The majority of these events are supported by our **Band Boosters** that pay for all of the logistics that each event entails (props, music, choreography, buses, etc.). This is a huge undertaking for us to achieve.

In addition to supporting our marching competitions, we are also focusing on updating necessary band resources for our students: **replacing our 10-20 yr. old instruments still being used by students, replacing broken music stands, updating the band, percussion, and storage room cabinets and closets**. Sadly, these items get overlooked each year with our budget focused solely on covering the necessities for our marching seasons.

In addition to our Marching Season, our Band Programs include Concert Season (Concert and Wind Ensemble Bands) Jazz Ensemble, Individual and Small Group performances, All-County and All-State auditions, Winter Guard, and Indoor Percussion.

The fundraising efforts of our students and band booster organization is the only thing that allows our program to continue to be successful. **You can help!!!**

We would like to ask you or your company to support our band by donating funds in exchange for advertisement and recognition. **We are a 501c3 organization, and your contributions are tax deductible.**

We have multiple sponsorship levels available and hope you consider choosing one that fits you best. If you would like to sponsor something specific or do not see benefits here that suit your needs, please let us know! We can customize a sponsorship package to maximize your benefit.

Sincerely,

*Chris Revett*

Chris Revett  
Director of Bands  
Robinson High School
